

AUTOMOTIVE MECHANIC/STOREKEEPER

The Greater Glens Falls Transit is seeking applications for a full-time *provisional* position of Automotive Mechanic/Storekeeper. The work involves responsibility for the efficient and complete overhaul and repair of a variety of automotive equipment in a Transit System Garage. In addition, the work involves responsibility for the operation of the Transportation facilities storeroom. The work is performed under general supervision with considerable leeway allowed for the exercise of independent judgment in carrying out the details of the work. Supervision may be exercised over assigned staff. Does related work as required.

Starting salary – \$ 42,500 (40-hour wk.)

Minimum qualifications:

- A) Graduation from a NYS registered or regionally accredited technical school or community college with an associate degree or certification in automotive technology or mechanics and two (2) years' experience in an automotive repair shop performing repair and maintenance of automotive equipment; OR
- B) Graduation from a high school technical or vocational program in auto mechanics and three (3) years of experience in an automotive repair shop performing repair and maintenance of equipment; OR
- C) Four (4) years' experience in an automotive repair shop performing repair and maintenance of automotive equipment OR
- D) An equivalent combination of training and experience as defined by the limits of A, B, or C

Candidates must possess an appropriate level New York State driver's license at the time of appointment.

Interested candidates may submit an Application and Resume to Scott Sopczyk, Director of Transportation at GGFT 495 Queensbury Avenue Queensbury, NY 12804
